

How do you learn to lead?

“Learning by doing, learning from others, learning your own or in a course?”

Be proactive in looking for chances to stretch yourself and learn something. Ask yourself: What can I do today so that I will do my job smarter than yesterday?

Do not let staff meetings become strictly status reports. Devote your time to improving things. Go shopping for ideas. Look for something this other business does well and you would like to follow up. Reward and praise your team members.

Stand up for your beliefs, even if you are a minority of one. Benchmark yourself and question status quo.

In which percentile do my practices in the day to day business fall?

ENABLING – CHALLENGING – ENCOURAGING - CREATING
